3 Information on Special Permits/Disclaimer

3.1 Special Permits

For special permits, please contact your local contact person. Please provide information on the application, the desired devices and the suggested solution. In this way, you simplify the transaction for all involved.

3.2 Disclaimer

The data provided here does not claim to be complete and up-to-date. Pfannenberg Europe GmbH assumes no liability for the correctness of the information in this approval list. Pfannenberg Europe GmbH reserves the right to make changes and updates at any time without prior notice. Any changes and / or misuse of the provided information and data are prohibited.

4 Sites Zollern GmbH & Co. KG

Validity in Zollern Group.

4.1 Approved Products

According to the specification for the production of production lines.

In principle, all **DTI devices** are approved, but primarily ecool units should be used.

Disclaimer:

All details were carefully researched. We can, however, not offer any guarantees with regard to the completeness and correctness of the stated information.
