

FUTURE GLOBAL INDOOR COOLING SOLUTION

One platform. Global compatibility. Zero hassle.

Pfannenberg's Globally Scalable Cooling Solution.

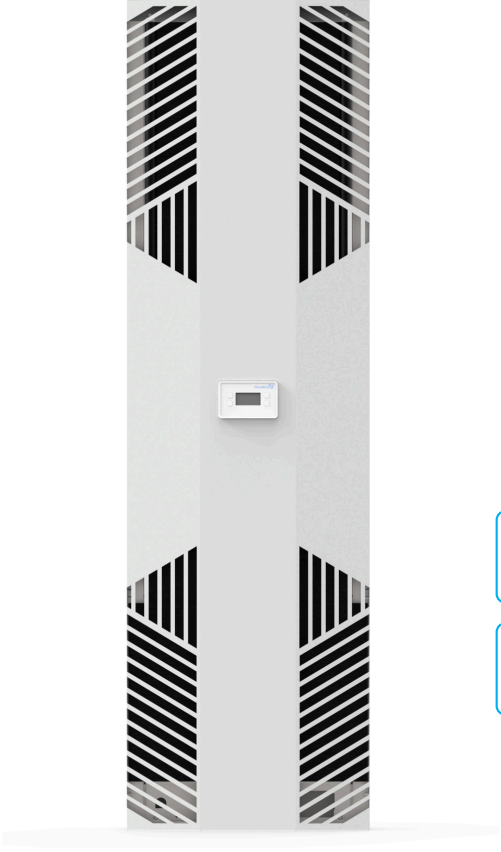

It's engineered as one platform for all regions and applications. Regional production hubs overcome tariff and supply chain barriers, ensuring availability and simplifying OEM rollouts. Delivering the same certified unit worldwide, it's the ultimate choice for reliability and efficiency.

Globally Scalable

- **One Global Standard**
  Designed for all markets and regulations.
- **Local Manufacturing**
  Production hubs in China, Europe & USA.
- **Continuous Availability**
  Resilient to supply chain & tariff disruptions.
- **Simplified OEM Rollout**
  The same certified unit, everywhere.

Safe & Sustainable

- **Sustainable products**
  Eco-friendly refrigerants (e.g., 513A, R1234yf).
- **Global Certifications**
  Fully compliant with global standards (UL, CE).
- **The Pfannenberg Promise**
  Protects people, machines, & the environment.
- **Future-Proof**
  Ready for future regulations & sustainability goals.
